Dear Sir,

1. On behalf of all ranks of "FIGHTING FIFTH", "ASHOK CHAKRA BATTALION", I would like to extend our sincere appreciation to Johnette Technologies for the exceptional military-grade drone cadre conducted as a pilot project at our Brigade training node.

2. Your dedication towards sharing your vast experience in the field was evident as your spear headed a team of experts to our field location, delivering curated mission oriented training and hands-on support, while also playing a pivotal role in establishment & developing our Drone Training Lab, significantly enhancing our capabilities. Your tailor made curriculum provided a deep insight to the trainees on aspects of mission planning, preparation of target folders and drone operations in contested EW environment further instilling confidence among the trainees in adopting emerging technologies.

3. Your involvement has set a benchmark for future training initiatives and we remain deeply grateful for your wholehearted participation and exemplary dedication.

4. We look forward towards building upon this partnership and enhancing our cooperation and coordination with the best experts in the field of UAV operations.

With warm regards

Yours sincerely
S. J.
