**SATISFACTORY ACKNOWLEDGEMENT FOR JOHNNETTE's NPNT MODULE
SOLUTION**

Dear Sir,

We had purchased NPNT Module solution from Johnnette Technologies Pvt Ltd for our Drone. We acknowledge our satisfaction with the product. The module was easy to integrate and works perfectly well. Johnnette's NPNT Module solution helped us receive certification from DGCA for our Agricultural Drone and is now enlisted on the Digital Sky portal. We wish you all the best for your future endeavours.

Thanking you,

W. Mahan
